Pool Membership Application

Welcome to the 2024 season of The Club at PrairieStar!

Once again, both the pool *and* the fitness center will be available to members this season. Membership options include individual membership, couple membership (a couple is defined as two adults living in the same residence), and dependent memberships. Please note that an adult is defined as anyone over the age of 18. Dependents are \$55 each, with any dependents after the first three being free. If your family has live-in grandparents, adult children, or caretakers that would like to purchase a membership in order to enjoy the pool with you, please direct them to fill out an individual application and sign the necessary waivers. Please read the rules and regulations carefully before agreeing to a membership. If you are applying for couple membership, your partner will receive an email with a link to a form to fill out including waivers. This *must* be finished before your applications are considered completed. For a couple with children, the person completing this application would enter the children's information and the person that fills out the Second Adult form would just enter their own information as requested by the form.

If you have any questions, please contact Ryan at ryan@sarbaugh.com

Thank You!

****IMPORTANT NOTE:** This year the application process will be closing on June 30th, 2024. After that date, no new memberships will be processed. If you are interested in a membership, please make sure you submit your application before then.**
